## Spaghetti Dinner & An Electric Light Parade

The OBSC will be partnering with Randy & Stacey Adams to have an electric light parade through the streets of Cholla on Saturday, December 8. Randy had volunteered to organize this annual event for his parents, Dave & Kelley, who have relocated to the jungles of Belize. The parade will start at the clubhouse at 7:00PM and put on a colorful finish at JJ's cantina. The OBSC will be awarding prizes for the most colorful floats in the parade. Prior to the 7:00PM parade launch, the OBSC will be hosting a spaghetti dinner at from 5:00PM - 6:30PM. This will allow 30 minutes for parade participants to have a nice meal, return home and prepare their entry for the 7:00PM parade. This event is open to the entire Cholla Bay community regardless of their membership

status in the OBSC. Dinner will include garlic bread, a side salad and a dessert. As with OBSC tradition, beer and wine will be available. The OBSC will fund the cost of the dinner. ALL proceeds will go directly to the local Cholla Charities. This charity helps people in need with direct ties to the Cholla Bay community. Throughout its years of existence, the Charity has donated thousand of dollars to deserving local residents. Funds are distributed through a volunteer Board organized by Nancy Schmidli and Sally Dalton (Xochitl's Cafe).

## Flamingo Droppings

### Rich "Flamingo" Severson

The leaves on the palm trees in Cholla have changed to their fall colors as we close out Oktoberfest and ready for the upcoming holiday festivals. November is a busy month in the Peñasco area for many and as such, the OBSC is going to lay low and gear up for December. The OBSC is partnering with Randy and Stacey Adams for the annual Cholla Bay Light Parade on Saturday, December 8th. The parade will begin at 7pm from the community center and wind its way through Cholla, ending up at JJ's Cantina. Before the parade, there will be an OBSC sponsored Spaghetti dinner from 5-6:30pm. The participant cost for the dinner is \$10 and ALL of the door receipts will go directly to the Cholla Charities to assist local families in need. There have been a lot of emails and phone calls to make this coordinated activity happen, so I hope you can be a part of the evening and show our OBSC spirit for a good time and cause. The OBSC Board met in October and had a robust conversation with all attendees participating. We confirmed that the original founders of the club wished to have fun, community-based social gatherings avoiding any negative vibes surrounding community politics, politics in general, religion or that ugly shirt that some members always wear. The club will contribute to local charities on a limited basis, but the main goal will be to create enjoyable social activities for lovers of Cholla and Peñasco to participate in. We will also be improving our communications to the membership with newsletters on a regular basis, and non-members may keep tabs on us through Facebook and other social media outlets. Please note our calendar of events for the upcoming party season and we hope that you can be a part of any or all of the activities. We also hold regular membership meetings the day of the events. Everyone is welcome and we are always looking for fresh ideas and new energy. Watch out for the other guy during bike week and don't overfill the oil when deep frying your Turducken.
