Clean out the fridge

On Saturday, June 10, 2023 we will have a bonus OBSC party at the Clubhouse. We'll start at the usual 6:00PM. As most Cholleros do at the of the prime party season, we clean out the fridge before the Summer hiatus. We have leftover pulled pork, corned beef and a selection of side dishes. As with most freezers, we might even find some mystery meat under the pulled pork and corned beef. Of course, we'll have beer, wine and soft drinks. Since the food is already paid for; the only expense to the club is for beverages, water

and clean up. So, rather than charge a fixed price at the door, Harry volunteered to put out a tip jar at the bar. The "tips" will go to offset the price of the libations and miscellaneous expenses purchased for the evening. Who knows, maybe a lively game of left-right-center may break out after the meal!

General Membership Meetings

We continue to have a great turn out for our 11:00AM Sunday meetings following a Saturday evening party. Please plan to attend the next meeting on June 11 at 11:00AM in the clubhouse. Your OBSC officers and board are always looking for new ideas and fine tuning our old ideas. We also will have lunch and beer!! A great idea came out of our February meeting: set up a *What's App* group for the OBSC. We use this app to let members know when we need help at the clubhouse in real time. You can download the free app at the apple store or google play. After you download and open What's App, set up an personal account with your phone number. To join our group, text Jerry Caballero @ [480-695-4488](tel:480-695-4488). This app has helped encourage members to join in on the fun of setting up an OBSC dinner and party.

dition. The name plaques were hung on the beam that the club member had purchased. Years later, the OBSC did a similar fundraiser when we moved down the hill from the old clubhouse. When the ceiling was recently finished, we saved the plaques and hung them up again. Honestly, most of the members honored by the plaques have "gone to the big bash in the sky". So, your OBSC leadership thought it would be a good idea to allow new and old members alike to join the history of the club and buy a plaque with their name. The plaques will cost \$20 and funds will help improve our community clubhouse in the future. If you are interested, contact OBSC President, Pat Sledge @ TucsonRedRocker@gmail.com.

Well, here we are coming up to the end of the season. We have one more opportunity to get together before summer. We are wanting to empty the freezer before summer, so we are going to have a "clean out the fridge" event on June 10th. It will be a potluck of sorts. We'll have a minimal charge to cover the bar. Come join us one last time before summer. We have had a wonderful turnout this year at our events with the steak fry last month being another great event. I want to thank everyone for your participation and support. We have seen a lot of new faces and have received quite a few new members. I look forward to the fall and picking up where we left off.

See you on the 10th and then have a great summer!
