OBSC Meeting Minutes Sunday, April 19, 2026

Call to order: President Harry Luker called the meeting to order at 11:00 a. m.

Scribe's report: The minutes from the March meeting were not available; the minutes were accepted anyway with minimal chatter from the membership.

Treasurer's report: The scribe set the bar really low, the treasurer noted before reading the financial report. As of April 2026, our beginning balance: $8,601.95 USD and $ MXN #11,110MX. Ending balance: $ 8,117.74 USD and $ 11,110.00 MX.

Membership: Annette fooled the President by sitting in a different seat, rather than her usual spot. Apparently, Jim Burch didn't know we had assigned seating. By the time Harry located her, she had time to act surprised that it was her turn to report. Membership is at 166, flux-free!! For a change Annette had written "Good morning" on her white board, rather than the usual FU.

Infirmary: Kathy Burch reported the yoga-related injured knee was much better. She also announced that husband Jim would have shoulder replacement surgery in May. It appears there aren't many old boys or girls with all original parts.

Clothes Closet: Sue had some new shirts available and sold some at the BBQ. With warm weather coming, Sue is planning on having tank tops available. Sue is also looking into flip-flops. There was a suggestion that we get some bucket hats as well as baseball style hats.

Sergeant at Arms: Sandy acted in the role again. The scribe coughed up $20 MX and $3 was collected from other members. Jerry Caballero arrived (fashionably late), but properly attired.

Social media: Sue updated the Facebook page with fotos she took at the BBQ. Jerry C took a bunch of fotos, also. She will put his fotos on Facebook page as well.

Building Committee: The vSeeBox has been installed and in working great. We are "direct tv" free! There is a cabinet door missing in the kitchen. The OBSC will take care of it. Sue felt that the BBQs needed some TLC. Harry & Pat will look into it. Thanks to the Burches and Lukers who cleaned out the storage closet. There is a lot of "stuff" that we won't use again, but none of it seemed throw-out worthy. All of it is free for the taking. We also will be having a garage "give-a-way" soon.

Old Business: The afternoon BBQ was great. Super food, great music and lots of fun! Harry commented the prep help was a little thin, but those helping got it done. We earned $420 from the raffle. We sold 145 wrist bands for $2,370 (US). Drinko was fun again and it brought in $37 US. Kim has some plans for some tweaks for next year. Annette reported that we signed up 6 new members. There was a lot of unintelligible brainstorming about kids' games, so when there isn't 10 people talking at once, we can put some of the good ideas in play for next year. Harry suggested we keep the kids busy by telling them we are playing hide & seek but don't go look for them. Sue sent a big shout out to Annette for creating so many wonderful raffle baskets. Annette does take donations for future raffle gifts. In fact, it has been reported that members remove all of the alcohol from the basket they won and donate the other stuff back to Annette for future raffles. Many members commented on our great band, Frida. On Friday, the day before the party, we heard the lead singer wouldn't be available due to "personal reasons". So,

apparently the replacement was just as good; some thought he was better. We invited the band to come back next year.

New Business: Steak Fry will be on May 16. Lew will coordinate the event. 100 New York strips will come from Top Meat. Top meat is not the cheapest in town, but the quality and service is the best. There will be baked potatoes, salad, grilled veggies and garlic toast. Lew will make 4 more key lime pies, and we will have a cake from Sam's Club. It was suggested that we make more grilled veggies; they were popular. Jerry C suggested we get nice steak knives. Sue reminded us that we have a drawer full of knives that we will break out for the steak fry. The "clean-out the fridge" is scheduled for June 20. There was a discussion on changing the date to June 13th. On June 13 we will clean out the fridge.

BBQ Debrief: More meat? Less meat? Noisy discussion ensued. This year's meat was much leaner, so there was a lot less waste. 160 lbs of meat will be ordered for 2027. We need more beans for 2027. We had plenty of Cole slaw. We quickly ran out of tortillas, but we were OK with bun quantity. Everyone agreed the food was great and the party was a great success. We used all of the BBQ sauce (7 gallons). Sue brought some homemade BBQ sauce for today's lunch. Roger & Dolly did most of the meat prep and we thanked them soundly with the clap. We went through all of the 2 kegs of beer and 15 bottles of tequila. We need a better schedule for Friday & Saturday to encourage more help. We will have sign-up sheets for specific times at the meeting BEFORE the BBQ. Pat reported that the Tecate tents were smaller, so should get 4 next year. The umbrellas/chairs were a good idea and next year we should have more. We will have separate lines for raffle tickets and wrist bands. The raffle ticket sales bogged down the line. The raffle ticket sales and wrist band sales will be at opposite ends. We also need large signs for beer, tickets, clothes closet, etc. We had too many people wandering through the beer/tickets sales area. We will have barriers for next year. Sue suggested we make the water/soda self-serve to help with the congestion with the sales lines. There were some guests that were curious were the proceeds go. We didn't have a good standard answer, other than Sue's cruise. We need a believable standard answer for next year.

Future Event Schedule

May 16 • Steak Fry

June 20 • Clean out the fridge

The meeting adjourned at 11:55a. m.
