OBSC Meeting Minutes

Sunday, May 17, 2026

Call to order: President Harry Luker called the meeting to order at 11:00 a. m. Harry announced we would have a raffle after the meeting. Annette gave everyone a ticket.

Scribe's report: The minutes from the April meeting were read and accepted.

Treasurer's report: As of April 2026, our beginning balance: $8,117.74 USD and $ MXN $11,110.00 MXN. Ending balance: $ 9,283.74 USD and $ 6,328 MXN. Sue reported the band was paid $800. There was some discussion about the contract being for $600. Harry gave the band an envelope with the money, but he didn't count it. I guess the band got a great tip (or) the extra $200 could go to Sue's cruise fund, although the $200 would only get her to the border.

Membership: Harry surprised Annette again with her turn to report. Her "surprise" delivery needs a little work. We have 167 members, which unfortunately is less than last year. Sue suggested Annette should wear lower cut tops; an anonymous member commented the "lower top" suggestion may cause a stampede in the opposite direction.

Infirmary: Jim will have shoulder replacement surgery in a few days. Sheryl Benge will have a consultation shortly on her painful hip. Sue suggested having an OBSC shirt stating "I have all my original parts" with check boxes, yes or no. She would have liberal return policy, since the original part status seems to change day to day. Sandy is to have an MRI on her shoulder and hand surgery. The last time Sandy had hand surgery, they operated on both hands. Harry reported he got to know Sandy really well during that recovery.

Sergeant at Arms: Sandy acted in the role again. We had a few new members; they received a pass on the OBSC attire rule.

Clothes Closet: Sue sold some shirts to our new members, but some had to cough up a buck. Sue will be getting some tank tops and is trying to get an outline graphic of the old OBSC bus for the back of new shirts. She is also looking into flip-flops and hats.

Social media: Sue updated the Facebook page with a few fotos from the steak fry. She didn't take many because her phone was providing the music through Bluetooth. The website is up to date with meeting minutes and old newsletters.

Building Committee: The OBSC will be buying one new replacement grill. The old grills are getting a bit worn out. We have "Frankensteined" them together, but they need to be replaced. We may have a fund raiser to pay for the new grills. Pat & Harry were voluntold to form a committee. The beer coolers need some attention or maybe replaced. There was discussion on getting a cooler donated by the Tecate distributor. Sue will ask Jerry C to pursue his contacts for a donation. There was a discussion on getting keg beer for our parties and using the kegerators. In the past, we decided the problem with keg beer is the leftover beer is never any good after three or four works. Caguamas make more sense for our monthly parties, because there is no leftover issue. We will have keg beer for the April BBQ.

Old Business: Annette reported 55 people attended the steak fry and one new member. The raffle brought in $70. It was a wonderful dinner as unusual. Annette had a stray $60 that could be used for the grill fund. The winner (Kinta) of the 50/50 donated half back to the club. There was some bitching

about the New York strips. For next year, it was suggested that we buy rib eyes rather than New Yorks. We have leftover steaks for sale ($10) each.

New Business: The fridge clean out party was cancelled due to lack of anything to clean out.

The meeting adjourned at 11:35a. m.
