OBSC Meeting Minutes Sunday, October 18, 2026

Call to order: President Harry Luker called the meeting to order at 11:00 a. m. Unfashionably and usually on time.

Scribe's report: Without the usual corrections from Tucson Sue, the minutes from the May meeting were read and accepted.

Treasurer's report: As of May 2026, our beginning balance: $ 9,283.74 USD and $ 6,328 MXN. Ending balance: US $ 8,795.12 and $ 11,628 MXN.

Membership: Annete's "surprise" delivery was better than last month, but there is still room for improvement. We now have 169 members. There is no evidence Annette's low-cut blouse worked. Since we only increased the membership by 2, we may have scared a few off.

Infirmary: Pat Sledge showed off his new ankle and even offered to do a little dance. The membership discouraged the dance, since his other ankle was one of his few original parts. Dolly Wall and Pete Bussey are recovering from knee replacement surgery. Jim Burch had a shoulder replaced and also is recovering nicely. Sue blurted out something about Jim's STD, unfortunately got her letters mixed up and after the laughter stopped, she corrected the letters to UTI. Sandy Luker is having eye issues; She has a shot in her eye every 3 months.

Sergeant at Arms: Rick Jensen acted in the role. Joanne coughed up a buck.

Clothes Closet: Sue has new Hawaiian shirts and tank tops. As the weather cools down, she will be adding long-sleeve T-shirts.

Social media: Sue tried to upstage Annette's surprised "O me, my turn" act, but Annette has far more practice. Sue may have dropped the gauntlet for future competition. The Facebook page with fotos from the Oktoberfest has been updated. The website is up to date with meeting minutes and old newsletters.

Building Committee: It was suggested we buy one new grill and make a good grill from parts of the two original grills. Pat Sledge reported a new grill would cost $1,100 to $1,200 dollars. Sue questioned whether we could buy locally to avoid ~~smuggling~~ importing one from the States. Semi-knowledgeable members reported grills are not available here in Peñasco. It seems most of grills in service are homemade from various old parts, e. g.. cars, tractors, trucks, refrigerators, etc. A motion was made and passed to purchase one new grill. The beer refrigerator was serviced this Summer and is now cold enough 40, for our beer. The kegerator was not cold enough for Ivan's craft beer, he had to ice the keg to get it cold enough.

Old Business: Jim & Kathy did a great job on their first party and were inducted to the "usual suspects" group. They may be sorry later, but for now they have been hooked, reeled-in and landed. The addition of Ivan's craft beer was enjoyed by the membership. He said had a good time, made a little money and would be willing to come back if we ask him. We will try to line him up for November 14. Although Ivan has a small car, he made it over Cholla's dreaded speed bumps without any helicopter assistance. The keg he brought was $60, which is comparable to two cases of Caguamas. There were 58 people attending Octoberfest. The door tip jar and equal to the bar tips: $10. This year the weather was beautiful, unlike

last year when the ACs were pumping. At this point, Harry attempted to adjourn the meeting butggwas appropriately shouted down for his effort.

New Business: Next party will be on November 14. So far, no one has stepped to host this party. The initial suggestion was a Veteran's Day salute with Sonoran dogs. December 12 will be the spaghetti dinner followed by an electric light parade. January 6 will be the annual police appreciation breakfast. Jerry C will line up Xochitl's to do the cooking. We need to get prizes for the raffle. Remember, this a OBSC sponsored event; it's not open to the public.

Jerry & Karen Caballero will host the annual Winterfest on January 16. February will be the annual Mardi Gras and parade. Lew will handle the Cajun dinner and Cheryl and Kim will coordinate the parade. Harry & Sandy Luker will host St. Patrick's Day dinner. The annual Spring BBQ will be on the 17th of April. There was discussion on which band we should hire. Frida has played the last two years. Stone was suggested for this year. We will get prices and availability ASAP and make a decision. Steak Fry will be on May 15th and Lew will host it again.

Jim & Kathy volunteered to do the November 14th party. They will do Sonoran doors, charro beans and cole slaw. It will be a Veteran's Day theme.

At 11:40a. m., Harry again called for a motion to adjourn , but for real this time. The motion was seconded and approved.
